

SSANGYONG

eXciting Lifestyle Vehicle

XLV

## ***EXCEEDING EXPECTATIONS***

The XLV is not only a very practical vehicle but also a highly comfortable, reliable and desirable choice for you and your family.

## **AN EXTENDED PROFILE**

The body behind the C pillar has been lengthened to provide greater boot capacity, a roomier second-row and enhanced cargo-carrying flexibility.

**HID HEADLAMPS WITH INNOVATIVE  
LED DAYTIME RUNNING LAMPS**

**AUTOMATIC FOLDED EXTERIOR  
MIRRORS WITH INDICATOR**

**LED REAR LAMP**

**SAFETY SUNROOF**

The glass will stop sliding close once a certain degree of resistance is detected and will then open to a preset degree.

**TWO-TONE EXTERIOR  
BODY AND ROOF**

## EXHILARATING INSIDE

The design inspiration is taken from dynamic and futuristic trends in which detailed linear and planar elements are infused upon the solid and sturdy fullness found in modern architecture.

### INFOTAINMENT

7" touch screen with unit controls for radio, audio via USB or Bluetooth connection and your mobile phone via Bluetooth.

### SPACE & STORAGE:

**720 liters boot capacity:**  
A roomier second-row and enhanced cargo-carrying flexibility.

**2nd row 40% flat:**  
Accommodates long objects such as golf bags, snowboards

**2nd row 60% flat:**  
Accommodates large and bulky items

**2nd row folded flat:**  
Provides maximum cargo capacity

### SIX GAUGE BACKLIGHT COLOURS

Colour adjustable backlights to personalize cabin ambience.

YELLOW

BLUE

BLACK

RED

SKY BLUE

WHITE

### DUAL AUTO AC

Air temperature for the driver's seat and front passenger's seat may be independently set.

## SAFETY & STRENGTH

The XLV is equipped with diverse active safety systems to assist the driver as well as to anticipate and avoid potential problems.

### Airbags

Seven airbags (front, side, curtain and driver's knee) are deployed around the cabin, the most in this SUV class, to provide a greater level of protection for all occupants.

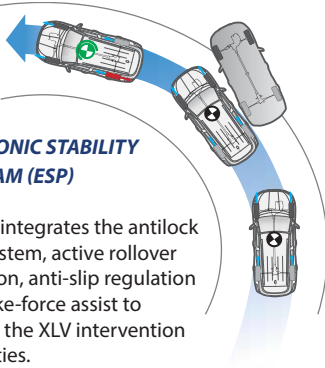

### Parking Sensors and camera in rear

Proximity sensors at the rear and front for road vehicles designed to alert the driver to obstacles while parking. This feature is very helpful in the city.

### ELECTRONIC STABILITY PROGRAM (ESP)

The ESP integrates the antilock brake system, active rollover protection, anti-slip regulation and brake-force assist to improve the XLV intervention capabilities.

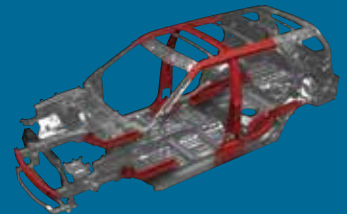

### ALL DISC BRAKE

XLV consists of disc brake on all four wheels assuring better safety.

### High - strength steel construction

SsangYong's engineers have made extensive use of high strength steel to construct a rigid passenger cell. The frame mainly consists of high-strength steel, providing more protection in the event of a collision.

### ELECTRONIC BRAKE-FORCE DISTRIBUTION WITH ANTI-LOCK BRAKES

## COMFORT & CONVENIENCE

The XLV is not only a very practical vehicle but also a highly comfortable, reliable and desirable choice for you and your family.

### ***D-CUT STEERING WHEEL WITH HEATING, AUDIO REMOTE CONTROL /CRUISE CONTROL***

A chunky D-cut steering wheel feels and looks good and is fitted with controls for radio and cruise control.

### ***SMART KEY SYSTEM WITH PUSH BUTTON***

Simplifies turning your car on and off using a key fob unique to you.

### ***SMART STEER SYSTEM***

The driver can choose among three different steering wheel sensitivity modes to provide just the right degree of responsiveness for specific operating conditions.

## PERFORMANCE

### ***e-XGi 160 Petrol engine***

1.6-liter petrol engine delivers incredible power. This highly efficient petrol engine runs quietly and is tuned to perform best in the low- and mid-speed ranges, where the vehicle is most often driven day to day.

#### ***Max Power***

128px/6,000rpm

#### ***Max Torque***

160 Nm/4,600rpm
